**RE:** Forensic Drug Analysis Monthly Report

---

Enclosed is the Massachusetts Department of Public Health's Forensic Drug Laboratory Monthly Status Report. We are pleased to announce all monthly reports will be provided online to increase accessibility for all interested parties. The Forensic Drug Laboratory will discontinue mailing the monthly report, and all future reports will be posted on the Bureau of Laboratory Sciences website.

In order to locate information regarding the status and backlog of MDPH drug analyses, please visit [www.mass.gov/dph/bls](http://www.mass.gov/dph/bls). Once you arrive at the BLS site, click on "Services by Type," then "Drug Analysis" to access the report. You may then save or print the report as needed.

If you have any questions regarding the Forensic Drug Analysis Monthly Report, please feel free to contact Charles Salemi or Allan Stevenson.
